Factory 1 address : 4/F, Building 4, STECH PARK, Shijing, Dongcheng Street, Dongguan City, Guangdong Province, China  
Factory 2 address : Qiyi Science Park, No. 2, Kuangtou Road, Liaobu Town, Dongguan City, Guangdong Province, China

# About us

MONU SPORTS is located in Dongguan City, Guangdong Province and was established in 2010. The founder, Mr. Bill Wong, as a R&D and design expert, has been engaged in the helmet industry for 20 years, and has led the R&D team to work for POC, SMITH and other internationally renowned brands for more than 15 years.

As a professional and reliable OEM & ODM manufacturer, MONU mainly produce outdoor sports helmet, such as Bicycle E-Bike Helmets, Urban Helmet, Skateboard Helmets and Ski Helmets, at the same time, we have some excellent suppliers of sports protective equipment, such as Ski Goggles, Bike Bags, Elbow and Knee Pads Skateboard...

Our products are sold all over the world, especially America, Europe, Japan, Korea and so on. We have established a quality management system that meets the standards, and continue to introduce new ones according to the needs of the market and customers. Integrity and quality are our life. Welcome to contact us to start our win-win cooperation.

## The best choice for you

### OEM & ODM

Design on demand. Engineers with extensive industry experience to quickly grab the ideas you want.

### Low MOQ

In order to support your business at the beginning, our policy of MOQ is flexible according to different situation.

### Cheap Price

Compared with the famous brands, we offer the same quality but at a much lower price, which is extremely cost-effective.

# MANUFACTURING PROCESS

We have complete equipment and advanced technology

# OEM & ODM

Helmet source factory

## 03 EPS Foaming

EPS automatic foaming machine adopts PLC full computer touch screen control. The whole process of feeding, steam supply, temperature control, foaming, and discharging can be realized automatically and cyclic operation, quantitative compression feeding, accurate and rapid. The fully enclosed stainless steel barrel is foamed at constant pressure, with high thermal efficiency, saving steam, shortening the curing process, and high foaming ratio. **MONU SPORTS factory has 11 such kind of EPS foaming machines.**

## 01 Vac Foaming

The positive air suction forming machine can form various types of films into different shapes of plastic covers through different molds. Device, delay cold air, water spray, vibration demoulding and other functions. It can also install 3 different shapes of molds at the same time to improve efficiency. **MONU SPORTS has 3 vacuum blister machines.**

## 04 Painting

Helmet painting is a process of technical challenge and creative demonstration. Through careful design and meticulous spraying process, it can bring a unique appearance and excellent visual effect to the helmet

## 02 CNC Cutting

CNC cutting machine is an automatic machine tool equipped with a program control system. The current trend is high-speed, high-precision, high-reliability, multi-function, compound, intelligent, and open structure. The precision is extremely high, which can reach 0.01mm. Multi-coordinate linkage can be performed, and parts with complex shapes can be processed. **MONU SPORTS factory has 6 CNC cutting machines.**

## 05 Assembly

Our factory has nearly a hundred employees, including 5 developers and more than 80 Shop staff. There are two production lines with a daily output of about 3,000 pieces helmet.

## HM011

Air Vents : 30  
 Material : PC+EPS+ABS  
 Size : S( 51-55cm) / M (55-59cm) / L(59-61cm) / XL(61-63cm)  
 Weight : 450g / 500g / 570g / 590g  
 Testing Standard : ASTM F2040 & EN1077B  
 Feature: One piece mold / Regulator climate control / BOO 360° fit system / Snapfit SL2 ear pads

## HM013

Air Vents : 8  
 Material : PC+EPS  
 Size : S( 51-55cm) / M (55-59cm) / L(59-61cm)  
 Weight : 400g / 450g  
 Testing Standard : ASTM F2040 & EN1077B  
 Feature: One piece mold / Self-adjusting fit system  
 Goggle lock / Removable ear pads

## HM014

Air Vents : 6  
 Material : Carbon shell+EPP  
 Size : M( 55-57cm) / L (57-59cm) / XL(60-62cm)  
 Weight : 450g  
 Feature: Carbon fiber shell / BOO 360° fit system  
 A built-in low-profile visor / Removable ear pads

## HJ008

Air Vents : 11  
 Material : ABS+EPS  
 Size : M( 54-58cm) / L (58-61 cm)  
 Weight : 570g / 590g  
 Feature: Adustable fit system / Removable ear pads  
 Insect net / Goggle strap

## HJ009

Air Vents : 6  
 Material : ABS+EPS  
 Size : M (54-58cm) / L(58-61 cm)  
 Weight : 500g / 550g  
 Testing Standard : EN1077B  
 Feature: ABS shell / Adjustable fit system  
 Removabe Ear pads / A built-in low-profile visor

## HS011

Air Vents : 10  
 Material : ABS+EPS  
 Size : S ( 48-52cm ) / M ( 54-59cm )  
 L ( 60-63cm )  
 Weight : 490g / 530g / 610g  
 Testing Standard : EN1077B  
 Feature: Adustable fit system / Removable ear pads  
 Goggle strap

## HM018

Air Vents : 10

Material : ABS+PC+EPS

Size : S ( 51-55cm ) / M ( 55-59cm ) / L ( 59-61cm )

Weight : 500g / 540g / 620g

Feature: Dual combination of ABS and PC shell / Side lanyard / Adjustable fit system / Removable ear pads

## HM017L

Air Vents : 14

Material : PC+EPS

Size : M (55-59cm) / L(59-61cm)

Weight : 520g / 550g

Feature: One piece mold / Fit system  
With lens / Removable ear pads

## HM017

Air Vents : 14

Material : PC+EPS

Size : M (55-59cm) / L(59-61cm)

Weight : 420g / 450g

Feature: One piece mold / Removable ear pads

## HC051

Air Vents : 8  
 Material : PC+EPS  
 Size : M (55-58cm) / L(58-60cm)  
 Weight : 447g  
 Feature: Regulator climate control / Adjustable fit system / Removable Ear pads

## HS006

Air Vents : 15  
 Material : PC+EPS+ABS  
 Size : M (55-59cm) / L(59-61cm)  
 Weight : 540g / 590g  
 Testing Standard : ASTM F2040 & EN1077B  
 Feature: One piece mold / Regulator climate control  
 Adjustable fit system / Removable ear pads

## HS007

Air Vents : 102  
 Material : PC+EPS+ABS  
 Size : S (48-53cm) / M (54-58cm) / L(58-63cm)  
 Weight : 450g / 500g / 550g  
 Testing Standard : ASTM F2040 & EN1077B  
 Feature: One piece mold / Regulator climate control  
 Adjustable fit system / Removable ear pads

## HS004

Air Vents : 14  
 Material : PC+EPS+ABS  
 Size : M (54-58cm) / L(58-62cm)  
 Weight : 500g / 540g  
 Feature: One piece mold / Regulator climate control  
 Adjustable fit system / Removable ear pads

## HS003

Air Vents : 10  
 Material : PC+EPS  
 Size : S( 48-53cm) / M (54-58cm) / L(58-63cm)  
 Weight : 390g  
 Testing Standard : ASTM F2040  
 Feature: One piece mold / Adjustable fit system  
 Removable ear pads

## HS002

Air Vents : 12  
 Material : ABS+EPS  
 Size : M( 54-58cm) / L (58-63cm)  
 Weight : 420g  
 Testing Standard : ASTM F2040  
 Feature: Adjustable fit system / Removable ear pads

## HS009

Air Vents : 12  
 Material : ABS+EPS  
 Size : M (54-58cm) / L(59-61 cm)  
 Weight : 480g  
 Testing Standard : ASTM F2040 & EN1077B  
 Feature: ABS shell / Adjustable fit system / Removable Ear pads  
 Goggle strap

## HC040

Air Vents : 10  
 Material : ABS+EPS  
 Size : M (54-58cm) / L(58-62cm)  
 Weight : 464g / 484g  
 Feature: Adjustable fit system / Removable ear pads  
 Goggle strap

## HC041

Air Vents : 8  
 Material : ABS+EPS  
 Size : S( 48-52cm) / M (54-58cm) / L(58-62cm)  
 Weight : 460g / 500g / 540g  
 Testing Standard : CE & EN1077B  
 Feature: Adjustable fit system / Removable ear pads  
 Goggle strap

## HX015

Air Vents : 9  
 Material : PC+EPS  
 Size : S ( 48-52cm ) / M ( 54-58cm ) / L ( 58-61cm )  
 Weight : 390g / 420g / 450g  
 Feature: One piece mold / Adjustable fit system  
 Removable Ear pads / Goggle strap

## HX016

Air Vents : 13  
 Material : ABS+EPS  
 Size : M (54-58cm) / L(58-61cm)  
 Weight : 480g / 530g  
 Feature: ABS shell / Adjustable fit system  
 Removable Ear pads / Goggle strap

## HX017

Air Vents : 8  
 Material : ABS+EPS  
 Size : M ( 54-58cm ) / L ( 58-61cm )  
 Weight : 550g / 580g  
 Feature: ABS shell / Adjustable fit system  
 Removable Ear pads / Goggle strap

## HX018

Air Vents : 16  
 Material : ABS+EPS  
 Size : M ( 54-58cm ) / L ( 58-61cm )  
 Weight : 490g / 530g  
 Feature: ABS shell / Adjustable fit system  
 Removable Ear pads / Goggle strap

## HX019

Air Vents : 7

Material : ABS+EPS

Size : M (54-58cm) / L(58-61cm)

Weight : 550g / 570g

Feature: ABS shell / Adjustable fit system / Removable Ear pads / Goggle strap

## HX020

Air Vents : 7

Material : ABS+EPS

Size : M (54-58cm) / L(58-61cm)

Weight : 480g / 510g

Feature: ABS shell / Adjustable fit system  
Removable Ear pads / Goggle strap

## HX021

Air Vents : 8

Material : PC+EPS

Size : M (54-58cm) / L(58-61cm)

Weight : 390g / 420g

Feature: One piece mold / Adjustable fit system  
Removable Ear pads / Goggle strap
